

## “4 THINGS TO KNOW” – June 30, 2024

Good morning, I am **James Walz** a member of the Campaign Cabinet, with actually “**4 THINGS TO KNOW**” about our 10,000 Reasons Capital Campaign.

- 1. The first thing** to know is that for those who have already offered your financial commitment contribution envelopes have been ordered and should be delivered this week. This will enable you offer a regular monthly contribution to pay down your financial commitment.
- 2. The second thing** to know is that we have now raised 55% of our building project goal. This means we still need to raise another \$400,000 to complete the entire proposed project. This includes the new education wing, the new administrative area, and the much needed expansion of our kitchen, pantry and storage areas for Peace Coffee and all the additional events we celebrate through the year.
- 3. The third thing** to know is that, again this morning, for those who do not have their personalized folder, we invite you to stop in the Commons and pick up the material you will need to make an informed decision about supporting our building project. Capital Campaign Cabinet members will be available for any questions you may have.
- 4. The final thing** to know is defined by the word URGENCY. Plain and simple, we cannot move forward with the proposed project until we have received decisions from all registered congregation members. Once that takes place it could take up to nine months from the formal congregation vote to actually breaking ground. The longer it takes to receive your decision, the longer it will be before we can start the construction. Now is the time to return your decision. Or if you do not have your folder, now is the time to pick it up today in the Commons, review the contents and return your decision.

There are today’s “**4 THINGS TO KNOW**”. Thank you!
