### **Proposed Facility Improvements and Expansion Presentation/Dialogue Meetings**

Please join us for a meeting to discuss potential facility improvements and expansion to our church facility. We want to learn your ideas and opinions as they relate to the conceptual plan we will propose. Please arrange your schedule to attend one of four identical meetings. Childcare and transportation is available for those who need it. Email: [plc@come2peace.com](mailto:plc@come2peace.com) to RSVP and let us know if you need childcare or transportation. Thank you.
